Subject: Re: phone call to discuss HAMP

Emmanuelle,

I appreciate your correspondence, ability to answer FMCV questions and concerns, and your availability. I will definitely inform Mr. Sidney of our discussion, and the immediate attention to the HAMP. I will have a suggestive date and time for you by early next week, either Monday or Tuesday at the latest. Have a wonderful weekend.

Jeff

Hello Jeff,

Thanks for speaking with me earlier today. I just wanted to follow up with an email to confirm that I'd like to set up a call in the near future with you and Ivan to discuss FMCV's involvement in the HAMP. Let me know Ivan and your availability and I can send set up a time. Thanks so much,

Emmanuelle

Please: All data submittals to our office should be sent by email to datamanager@epa.gov with a copy to me (or your project manager in the Drinking Water Office). Data reports are due no later than the 10th of the month following the month that you receive results, or the 10th of the month following the compliance period, whichever comes first. Please include the whole lab report and copy of the Chain of Custody. Label with PWS name and number; & source or distribution system location codes or names for data collection points.
